

Nominee: United Utilities SuDS Team

Category	3. Outstanding Team
Nominators	Geoff Hardman, Director, REFA Consulting Engineers
<p>The above team have been instrumental in moving forward SuDS features for adoption under S104 agreements.</p> <p>They have prepared a significant amount of information and guidance booklets advising developers and consultants on the processes to follow and what will and will not be adopted under a S104 agreement.</p> <p>They are always available and willing to offer advice and assistance either by email or by phone.</p> <p>Their response times are always quick and thus I believe they do go the extra mile to assist with development queries.</p>
