

 **SuDS for Schools**  

- 10 schools – one catchment
- 1500+ students engaged
- Knowledge, skills and confidence
- Cleaner streams, new habitats
- Healthy, connected people
- Inspirational places
- Transformed learning – not just for students

Hollickwood Primary School

What a wonderful day we had! It exceeded all our expectations. Thank you so much for everything. Please pass on our thanks to all your colleagues who made it such a successful event.

Mr Westmore, Acting Head Teacher

SuDS are now well and truly in the Hollickwood consciousness, and also of all our community guests, (I see that all the parents' Facebook pages are going crazy tonight with admiring comments about our SuDS!).

Linden Groves, Parent & Gardening Committee
